SIMON BAYNES

Over the last 10 years our wholesale business
has gone from strength to strength, we like to
think that this is due to our care and diligence
to your orders. We have designed our business
to suit your needs; we deliver 7 days a week
and even operate a second delivery service
at 5pm for top ups (*Monday to Saturday*).
We have also expanded our product range.

We deal with many local suppliers, growers
and farmers. This reduces costs and
guarantees quality and freshness.

My staff have worked for my company for
many years and they understand your needs.

If you need any more information, don't
hesitate to give me a call or visit our city centre
warehouse

I look forward to hearing from you.

S. Baynes

Don't take our word for it...

“

We began buying from Simon soon after we started in 1997. In all these years we have never sought supply from anywhere else. For EL PIANO it's all about food that is LOCAL where possible, FRESH always, QUALITY that's unfailingly. And then there's the service. Who else will cross town with that bunch of parsley

you forgot, advise on the cost implications of your menu change, pick up your answerphone messages at 3am or 4am or in person at 5am? Priceless. ”

“

Simon has supplied us for over 10 years. His produce is not only first class but in all my life in catering I've never known a company supply a service of 7 days a week including bank holidays, also providing a top up service in the evening should we be running short of something. It's second to none. There diligence to ours orders and variety of stock is outstanding and the staff are

very aproachable and on the other end of the phone should we have any questions. What's not to like! ”

“

Simon Baynes are very reliable and always willing to go that extra mile to exceed a customer's expectations. In addition to being able to place orders at any time of day, they are very quick to deliver further daily produce to help meet unexpected demands of the business. The quality of their produce is second to none and if on the very rare occasion that something is not up to their usual standards they are quick to rectify with no questions asked.

It's great to have a local supplier that promotes & delivers the best local produce right to my doorstep and I would highly recommend Simon Baynes to anyone. ”
